# Milk Truck

The cat asks the dog, “Do you have milk?”  
 “I do not,” yaps the dog. “But I can get milk!”

The dog and cat run to a truck.  
 It is a milk truck. It is full of milk:  
 gallons and gallons of milk,  
 in stacks upon stacks of boxes.

The dog kicks a box. The box tilts. Splat!  
 A gallon drops. Milk spills.

The cat laps up the milk. Yum!
